1. The following is an examiner's statement of reasons for allowance: Applicant's declaration, dated August 2, 2005, has established an invention date that predates December 1, 2003. Therefore, applicant's invention predates the filing of the Egan publication, that was the basis for the rejections of the prior Office Action. The only rejection remaining is a provisional double patenting rejection and the copending application will not likely issue before this application, therefore, the provisional double patenting rejection is withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anne Marie M. Boehler whose telephone number is 571-272-6641. The examiner can normally be reached on 7:30-5:00, Monday-Thursday, and alternate Fridays.
